

# THE ATTACK

J.T.C.

He's drinking it now.

Well done! His stomach cramps will begin in about three hours.

He should be dead by morning.

Bring me my medicine bag.

Do you think you can help him, doctor?

Oh, my stomach... I feel like I've been poisoned... Oh, Lord!

NEXT MORNING

Sob,  
Sob!

I'm sorry.  
I did all I could.

It must have been  
consumption.

Who was he?

One of the Puritans who  
translated the Bible for the king.

Another translator dies. His family will be next, either by accident, dagger, poison or strangulation, just like many of the Puritan scholars who helped bring the word of God to the English-speaking people.

The first attack against the word of God came in the Garden of Eden.

God told Adam...

"But of the tree of the knowledge of good and evil, thou shalt not eat of it:

for in the day that thou eatest thereof thou shalt surely die."\*

\*Genesis 2:17

Satan immediately planted doubt in God's words. He said to Eve:

"Yea, hath God said...?"\*

\*Genesis 3:1-3

Doubting God led to rebellion and now we have sin and death everywhere.

To spread this doubt, Satan has always tried to change, add to, or take away from God's words.

One of Satan's major attacks involved the "Apocrypha." These were Jewish semi-historical moral stories written after Malachi and before Jesus came.

From these came purgatory, prayers for the dead and other perversions of God's word now taught by the Roman Catholic system.

Some of these stories were about the Maccabees.

The Maccabees were idolized as Jewish Freedom Fighters and their books were called "scripture" by the Catholic Council of Trent.

These are **not** God's words. True Christians have always rejected them, but today they are showing up in modern Bibles produced by Catholics and influenced by Jesuits.\*

\*See *Did The Catholic Church Give Us The Bible?* (2005). Available from Chick Publications.

Satan had tried desperately to put his "Apocrypha" into the Old Testament.

But it was rejected and denounced by most Jewish rabbis as counterfeit.

No! We will *not* accept this as part of God's word.

Note: The Lord Jesus never once quoted or recognized the Apocrypha as being Scripture, and neither did His Apostles.

Just as the Holy Spirit overshadowed Mary to bring forth Jesus,\* the Holy Spirit also came upon the writers of the Old and New Testaments, resulting in the birth of God's word.

Satan was powerless to destroy it.

Jesus said, "Heaven and earth shall pass away, but my words shall not pass away." Matt. 24:35

\*Luke 1:33-35, 2 Peter 1:21, John 1:1

Satan attacked both the word of God and the believers in Christ through horrible persecutions.

No one will find them here!

But New Testament manuscripts were being carefully copied by Christians and successfully hidden to preserve them.

Satan used the intellectuals in Alexandria, Egypt, to mutilate Old and New Testament manuscripts of God's word. They produced a mess called the "Alexandrian manuscripts."

Satan uses translators today who base their authority on these mutilated manuscripts to make people doubt the truth of God's verbally inspired word.

The Bibles from Alexandria, Egypt, downplayed the deity of Christ, the virgin birth, salvation by grace through faith, etc.

True Christians rejected these phony manuscripts as works of the spirit of antichrist.

Another attack came when the Roman Emperor Constantine (the first pope) ordered 50 Bibles created from the satanic Alexandrian manuscripts.\*

Later, the Roman Catholic "early church father" Jerome, used the same Egyptian manuscripts to create the official Bible for Satan's Roman Catholic system.

They named it the "Latin Vulgate."

The Devil had successfully created his own Bible from his corrupted Alexandrian manuscripts... and out of this, he created his own counterfeit "church."\*

In 1229 A.D., the Bible was placed on the list of forbidden books by the Synod of Toulouse.

Satan's next attack came in 1546 during the Council of Trent. The Vatican declared the Apocrypha was "Holy Writ," and officially part of their Old Testament Canon.

Anyone rejecting this was damned as a heretic and burned at the stake.

Note: This dangerous law is *still* in effect and *will be used* in any future inquisition.

The pope claimed to be the only authorized representative of Christ on earth, and murdered anyone opposing him.

Death to *all* heretics!

Yes, your Holiness.

When Bible believers were caught with copies of the word of God, they were slaughtered and the Scriptures were burned.

The name given to the preserved word of God was "Textus Receptus" (the Received Text).

Satan intensified the war by creating the horrible Inquisition.

The word of God was the Number One target. Homes of the Christians were torn apart brick by brick looking for the Textus Receptus manuscripts and translations.

Rome claims there is no salvation outside the Catholic church... but the Textus Receptus teaches salvation comes only through faith in Jesus Christ.

And so it was "search and destroy time" for the Vatican.

Satan engineered unbelievable tortures and violent deaths at the hands of his counterfeit church. It claimed 68 million victims from 1200 AD onward, and it was done "for the greater glory of God." (See John 16:2)

The Lord Jesus hates this satanic system whose religious leader dares to call himself "The Holy Father." Jesus calls it "the mother of harlots and abominations of the earth." (See Rev. 17:5)

God's Spirit started moving in the hearts of certain men to rise up against this evil force.

Luther sparked the Reformation as multitudes rebelled against the brutalities of the Vatican. They were called Protestants and heretics.

Luther translated the Textus Receptus manuscripts into the German tongue, giving Germany "The word of God."

In 1525-35, Tyndale did the same thing in English. Rome burned him at the stake for his efforts.

The Vatican's power was falling apart. Everywhere, the pope was called "the antichrist."

Ignatius of Loyola

In 1540, Satan, through Pope Paul III, officially welcomed Loyola and his deadly Jesuits into the Roman Catholic system.

The Jesuits, dedicated to the complete destruction of the Textus Receptus,\* deny that it is verbally inspired by the Holy Spirit. And they place their own theology and philosophy above the Holy Scriptures.      \*The word of God

**And this is still going on today.**

English royalty rebelled against the pope's authority as "the only lawful ruler of the world" (temporal power).

And for this "sin" the pope released his Jesuits upon England and immediately they infiltrated key positions to destroy it from within.

The following timeline represents the battle between the Vatican and Protestant England for the destruction of the Bible (the word of God).

**1534** Anglican Church is established in England.

**1540** The Jesuit Order is authorized.

**1545** The Council of Trent is formed to crush Protestantism and strengthen the laws of Roman Catholic doctrine.

**1553** A Roman Catholic queen takes the throne in England. Queen Mary murders the leaders of the Anglican Church and reinstates Catholicism.

**1558** Elizabeth takes the throne, denounces Catholicism and reinstates the Anglican Church.

**1560** Reformation sweeps Scotland and they join Protestant England.

**1588** King Phillip II of Catholic Spain sends the Spanish Armada to destroy Protestant England. It failed.

**1604** King James authorizes a translation of the Bible for England.

**1605** The Jesuit plot to blow up James' Parliament is exposed.

Catholic plants, stationed in the English court, spread the news that King James intended to authorize an English Bible based on the inspired scriptures (Textus Receptus).

Holy Mother... this could be disastrous if such a Bible got into the hands of the masses.

The news electrified the Vatican. Jesuits, skilled in languages, were immediately ordered to join the Anglican Church.

Certain advisors trusted by King James were deep Catholic agents. Now was their opportunity to serve "Mother Church."

We know just the right men, your Excellency.

Puritans suspected that some of these men chosen to assist them were not of God... They complained to King James, but he overrode their objections.

The plot was to secretly switch the text containing God's word and replace it with readings from their Vatican and Alexandrian manuscripts.

God stopped these undercover Jesuits from destroying His word by having guards posted at their tables watching every move.

Then they moved to place the Apocrypha in the Old Testament, which also failed.

Their last mission was accomplished (on a temporary basis) by placing the Apocrypha between the Old and New Testaments.

The Apocrypha is a blasphemy against the word of God.

Once the Apocrypha was between the covers of the Protestant Bible, the Jesuits believed that the Protestants would finally accept it as Holy Writ, and then turn to the Vatican as their final authority.

Now that the King James Bible was printed, the Jesuits swore to destroy those Protestant translators who opposed them. They tried to systematically eliminate both their enemies and their families.

Later, two Jesuits were soundly converted and they informed the Puritans of the conspiracy against the Protestant movement and the word of God.

***The Puritans were now on the alert.***

The Jesuits feared that a widely-read English Bible, without the Apocrypha, would end Catholicism's power and block any future ecumenical movement.

Later, the surviving Puritans brought forth the entire 1611 edition of the Bible without the Apocrypha. This was God's victory over the Jesuit conspiracy.

God blessed His Holy Word in English. Preachers taught it with boldness and assurance. Millions heard its message and none dared add to it or change it.

Missionaries began bringing light to the dark places of the world... And in the Vatican, they were grinding their teeth in anger.

And under instructions from the Jesuits, new cries could be heard in England, like "Let's update the Bible! It's obsolete!"

***Then Satan moved.***

Against protests, a committee was formed to create a "new and better" translation of the Bible.

**Westcott**

**Hort**

Two men in the committee, Hort and Westcott ("closet Catholics"\*), put tremendous pressures on the others to accept Satan's Alexandrian manuscripts (Sinaiticus and Vaticanus) from which they produced their new Bible.

***Satan pulled it off.***

Unknown to the Protestants, they were now stuck with a Roman Catholic Bible called "The Revised Version."

Now we must destroy the credibility of that heretical King James Bible.

The Vatican was again on the offensive to wipe out the word of God... Jesuits were sent to infiltrate all Protestant theological seminaries and Bible societies.

*\*Did The Catholic Church Give Us The Bible?*  
pp. 118-121, 149-151.

In time, the Jesuits got into the Bible departments to teach the young, impressionable, future Protestant pastors.

Let's see how accurate the King James is against the "original Greek."

The Greek they used\* was from Satan's Alexandrian manuscripts. Of course, they wouldn't match up... But the students didn't know they were being deceived.

\*Nestle's Greek Text (from Alexandrian texts)

Daily in their classes the word of God was criticized and cleverly put to ridicule.

Young men who came believing that the King James Bible was the word of God were soon turned against it.

I don't know *what* to believe anymore.

The Vatican was so successful that today almost every Protestant school of theology relies on Satan's Alexandrian manuscripts as their final authority. **Their light has gone out.**

Pastors and radio preachers constantly correct the word of God and recommend other translations.

"The Vatican is busy secretly pouring millions of dollars into multitudes of new Bible translations, each one based on their own corrupted manuscripts."\*\*

\*Westcott and Hort Greek text. \*\*Dr. Rivera

In the past, men have given their lives for the word of God.  
Today, they don't believe we have it.

## Look what they've done to the words of God!

Modern Bibles, using Alexandrian texts, are missing words, phrases, even verses in hundreds of places.

### But God says

“What thing soever I command you, observe to do it: thou shalt not add thereto, nor diminish (take away) from it.” Deut. 12:32

(See also Deut. 4:2, Proverbs 30:5-6, and Revelation 22:18-19)

## Are *all* of God's words in your Bible?

“And Philip said, If thou believest with all thine heart, thou mayest. And he answered and said, I believe that Jesus Christ is the Son of God.” Acts 8:37

Not in the NIV, Message, NLT, ESV, NET, NRS or 29 other Bibles!

“For the Son of man is come to save that which was lost.” Matthew 18:11

Missing from the NIV, TNIV, RSV, ERV (Westcott & Hort) and 22 other Bibles.

Only this verse shows Isa. 53:12 fulfilled at the cross.

“And the scripture was fulfilled, which saith, And he was numbered with the transgressors.” Mark 15:28

Not in the NIV, ESV, NRS, NET, NLT, NAB (Catholic) or 21 other Bibles.

In "Look What's Missing" we list over 250 verses in 40 popular Bibles, to show you they are really corrupt Alexandrian and Roman Catholic Bibles in disguise.

**Don't be fooled!**

"Whoso despiseth the word shall be destroyed..." Proverbs 13:13

If the modern versions have caused you to doubt God's words, there *is* one English Bible you can trust:

**The King James Version**

Defeat Satan's attack with God's words.

Jesus promised:

"Heaven and earth shall pass away, but my words shall not pass away."

Matt. 24:35; Mark 13:31; Luke 21:33

**Make sure your Bible is God's words.**
