

# The You-Who Yahweh Scam

---

Article reprint from the July 2004 Bible Believers' Bulletin

Years ago (1840-1940), apostate Liberal theologians drummed up the pagan idea that the Almighty God, Creator of Heaven and Earth – the **“Alpha and Omega, the beginning and the end”** (Revelation 22; Colossians. 1; John 1) – was simply a local “tribal god” of some Hebrew “Bedouins” who came out of Egypt. This tribal deity – like Mohammed’s moon god (“Allah”) – was a local deity given a pre-eminent place, like Mohammed gave to the “chief god” of the 360 gods in the “Ka’aba.”

This tribal god was called *“Yahweh.”* He took his place alongside Baal, Sin (Mohammed’s moon god), Molech, Dagon, Jupiter, Bel, Tammuz, Rimmon, Marduk, Mercury, Zeus, Thor, Vishnu, Siva, Kali Chronos, Osiris, et al.

Modern substitutes would be John Wayne, Madonna, John Lennon, Hillary Clinton, Jackie Onasis, O.J. Simpson, M.L. King Jr., Einstein, Gandhi, JFK, Elvis Presley, Karl Marx, Michael Jackson, Charles Darwin, Frank Sinatra, Bill Cosby, Sigmund Freud, Eddie Murphy, et. al.

Then this word *“Yahweh”* was passed down from one liberal “campfire” to another liberal “campfire” by the FCCC (1906) and the NCCC (1960) and by all of the revisors on the translating committees of the RSV (1957) and the NRSV (1989).

*“Yahweh”* was the “ticket.”

Yahweh has always been the hallmark of all apostate Liberals connected with any ecumenical movement. The idea was to reduce **“I AM THAT I AM”** (Exodus 3:14) – the infinite eternal presence of a living God – to an “Ah is because ah is.” Or as the rotten stinking “New” King Jimmy Bible has it: “I am WHO I AM.” The New King Jimmy Vision (Falwell, 1982-1983) simply joined up with the unsaved Liberals (Weigle, Tillich, Oxnam, Sockman, Albright, E.S. Jones, Norman Vincent Peale, Pike, Fosdick, Dahlberg, Blake, Weatherhead, et. al.) and adopted their reading as published in the Reprobate’s Sap-headed Version (RSV, 1952) and the Nutty Reversed Sap-headed Vision (NRSV, 1989).

When Elmer Towns, Ed Hindson, Jerry Falwell, Wally Chriswell, A.V. Henderson and Truman Dollar served on the “Overview Committee” of the NKJV they simply joined hands with the FOUNDER of Neo-evangelicalism: Harold Ockenga. They immediately dumped the God of Israel as He defined Himself in his first revelation of His NAME (Exodus 3:14, 6:3). There are seven “Jehovahs” in the Scripture (see below). Not one of them is “Yahweh” or a *tribal* God. Not one of them said that He was just “WHO HE was.” He said there never was a time when He was NOT.

**“And God said unto Moses, I AM THAT I AM: and he said, Thus shalt thou say unto the children of Israel, I AM hath sent me unto you”** (Exodus 3:14).

**For thus saith the high and lofty One that inhabiteth eternity, whose name is Holy; I dwell in the high and holy place, with him also that is of a contrite and humble spirit, to revive the spirit of the humble, and to revive the heart of the contrite ones” (Isaiah 57:15)**

**“For the moth shall eat them up like a garment, and the worm shall eat them like wool: but my righteousness shall be for ever, and my salvation from generation to generation” (Isaiah 51:8).**

The New King James Version is a bed mate for the worst liberal Bible translations on the market; that includes the Nutty Idiot’s Version (NIV); it has the same reading.

Now, since somewhere around 1948, when Israel became a State again for the first time since 600 B.C. – that is 2,548 years – the evangelical Christians have tried another “tack” to set their sails for the Tribulation. They have suddenly decided that “the name above every name” is not a Greek word or an English word. It is a *Hebrew* word. This peculiar “turn of events” comes about in the most natural way you could imagine, if you had spent any time reading the Old Testament. Modern Christian leaders were totally unprepared for what has taken place since 1948, since more than 95 percent of them “closed the Book” in 1929 and refused to move one step beyond Scofield and Larkin – if they even went THAT far.

That statement has been confirmed on more than 4,000 pages of Bible commentaries published AFTER 1960. In those publications (commentaries on Genesis, Exodus, Job, Proverbs, Psalms, Ecclesiastes, Hosea, Joel, Amos, Jonah, Matthew, Acts, Hebrews, Revelation, etc. – there are twenty-five more of them), you will find a *minimum* of seventy things that were to be found in the AV text of 1611, 1613, 1650, 1700, 1750, 1800, 1850, 1900, 1950, and 2000 that no Greek or Hebrew scholar in 100 Christian universities, colleges, or seminaries was able to find in four centuries for the simple reason that all of them had spent their time changing the English Text of the Authorized Version to bring it down to their own level of ignorance.

At present up pops some Hebrew phenomena” before the same bunch of blind critics who cannot understand it. Note!

1. A born-again Jew is no longer a “SAVED sinner.” He is a “completed Jew.”
2. The Lord’s Supper should be observed on the Jewish Passover date.
3. “Jesus” is no longer Jesus: He is “*Yeshua*.”
4. “Jehovah” is no longer Jehovah: He is “*Yahweh*” or “*YHVH*.”
5. You are not born again until you are resurrected (Acts 13:33), So Christ had to have TWO BIRTHS – like you!
6. John 3:3-5 is not a reference to anyone’s New Birth; it is a reference to the *rebirth of Israel* (Isaiah 66:8-9)
7. The “elect” in Matthew 24 are the Gentile Christians in the Body of Christ. (Matthew 24:22).
8. So they go twenty-two months into “**the time of Jacob’s trouble**” (Jeremiah 30:7; Daniel (:24) and are in the Great Tribulation exposed to losing salvation (Revelation 14:9-11; see Rosenthal and Rasmussen).

Now note this nationwide effort to convert all Christians to Jews by applying verses aimed at Israel to the Christian in the Body of Christ. Not even the saved Jew is a “Christian.” He is a “completed Jew.”

Where does this “Judaism” come from? What is the source for these Judaizers to carry on like this?

Well, it comes from saved Jews who want the “preeminent place” in the Body of Christ, since they claim to have a knowledge of Hebrew that you don’t have. Saved apostates like Robertson, Wuest, Trench, Thayer, Westcott, Nestle, Moulton, Vincent, Aland, Metzger, Hindson, Willmington, Nida, Warfield, Hodges, and the RSV, ASV, NASV, NKJV, NIV committees did exactly the same thing with the “Greek” for 100 years.

“WE are THE authorities!”

“WE know the original languages – *you don’t*”

**“Knowledge puffeth up, “pride goeth before destruction,” “not many mighty, not many wise,” “hid these things from the WISE and prudent,” “men of high degree are a lie,” “Diotrephes . . . loveth to have the preeminence,” etc.**

What is happening is simple: you have reached the END of the Church Age, and God is “junking” the Gentiles. Shortly, He will produce two world wars (Revelation 6, 19) that will eliminate at least 2,000,000,000 “Gentiles.” Vashti has been “dumped” (Esther 1-2), and Esther is about to “take over” (Esther 8, 10; Isaiah 60:12). That is why the next book after Esther that shows up in a King James Bible – not a Hebrew Masoretic text Bible – is “Job”: forty-two chapters – one for each month in the Tribulation (see Revelation 11-13).

With this “nearness” to the restoration of Israel to **“a PURE LANGUAGE”** (see Zephaniah 3:9), modern converted Jews have gone overboard trying to slip in Jewish preeminence before it comes, Biblically, to the nation – where it certainly will come (Isaiah 60:12; Jeremiah 30:11; Isaiah 65) at the Advent of the Jewish Messiah.

That is, the movement is undetected at the present writing.

The truth is you can believe that Jesus is God’s “Christos” – His “anointed” Messiah (see Habakuk 3:13) – and still go to Hell like a bullet. The Devil and his devils (see Mark 1:24, 5:7) all believed that Jesus Christ was the “Messiah,” and so did several thousand Jews at the triumphal entry back at the First Advent: see Mark 11:9-10; Luke 19:38, Matthew 21:9.

Receiving God’s sinless Saviour as your personal Saviour, from your personal sins (John 1:12, 29; 2 Corinthians 5:20-21), is a long way from believing that Jesus Christ was “King of the Jews.” Pilate believed that (John 19:21-22).

Now that we “have our bearin’s,” consider how “Jehovah” got kicked clear out of the *Assurance Analytical Study Edition* of the Holy Bible (2003). That publication is actually just the Bible plus a Topical Reference Addenda of 997 pages. It boasts of a “Thought Index” (whatever on earth that is!) of over 8,000 references that deal with about 4,000 subjects. We are told that if you are a “thoughtful reader” you will accept it as “The New Topical Study Bible.”

“Jehovah” is to be found nowhere in it.

Instead you are referred to the apostate Liberals’ tribal god “Yahweh” with the exception that instead of transliterating the “vau” as W (as in “waw”) it is transliterated as “V” – as in “Vau” – the sixth letter in the Hebrew alphabet. Oddly, after inserting the following letters (YHVH) in more than 100 verses, when the “thoughtful reader” gets to the “Thought Index” on Psalm 119, he finds all of the Hebrew letters *missing!* I have four King James Bibles here: one from Oxford, one from the Trinitarian Bible Society, one from Cambridge, and one from the Gideons. All have all of the Hebrew letters (Aleph, Beth, Gimmel, Daleth, etc.) in Psalm 119, after every eight verses.

“Jah” in Psalm 68:4 is one of these abbreviations. In spite of all its gas about “Jehovah” being spelled YHVH – more than 400 times in the “New Study Bible” the critics of the King James text did not give you “YAH” at the end of the verse, although they gave you VHVH on the end of Deuteronomy 28:63-65,68, 29:1,4-6, 15,22-24,28, 30:1,10,20, 34:5, 9-11; Leviticus 1:1,3,5,13; Joshua 6:12-13, 16-17, 19, 24, 27; Judges 3:1,7,10,12,15,28; Psalm 119:1,12, 31,41,57,64,75, 89,107,126,137,149,159,169, 37:3,9,20,28,34,39, etc., etc.

Someone is trying to brainwash you to get rid of the letter “J.”

Oh, who could that be?!

Why, I found 200 brand new, “up-to-date,” modern English New Testaments (1900-2003) where someone removed the Holy Spirit’s command to “study” the Bible (2 Timothy 2:15)! Who, oh tell me, WHO could that be?

Do you know what “JESUS” means in English?

It means “Jehovah saves.”

Ever see a sign on the road that said “Jesus Saves”? See that “JE”? That is the abbreviated term for “Jehovah” used in Old Testament names over and over and over: Jerahmeel, Jesse, Jeconiah, Jehoshaphat, Jehoiakim, Jehaleleel, Jether, Jehu, Jeiel, Jetur, Jeroham, Jehoshua, Jehoadah, Jehush, Jeroboam, et. al. And even when the “JE” is not from “Jehovah,” but merely the first two letters of another word, it is still there: “JE.”

Now who would want you to miss that connection when the connection is Jehovah Himself coming down in the flesh (1 Timothy 3:16, AV) as a Man called “Jehovah Saves” (“Jesus”)? I’ll tell you who not only wanted you to miss the connection but wanted you to DENY the connection:

The RV of 1885 (1 Timothy 3:16).

The ASV of 1901 (1 Timothy 3:16).

The RSV of 1952 (1 Timothy 3:16).

The NASV of 1971 (1 Timothy 3:16).

The NRSV of 1990 (1 Timothy 3:16).

The Living Bible of 1971 (1 Timothy 3:16).

The NIV of 1978 (1 Timothy 3:16).

Those “Bibles” fixed it so that the God who said “**I AM THAT I AM**” to Moses, never showed up on this earth “**in the flesh.**”

Now, what are the masses of Conservative, Evangelical, and Fundamentalist “leaders” doing getting rid of “Jehovah”? Why, it is simple. They all ran to the “original Hebrew,” just like they ran to the “original Greek” to get rid of the incarnation in 1 Timothy 3:16.

Here are the technical aspects of the Yahweh rage (or the Yahveh rage – *Analytical Topical Study*, Thoughtful Index, blah blah).

The tetragrammaton is FOUR “radicals.” That means no actual “vowel sounds,” although when you SAY “He (the Hebrew “H”), you have added “a” as a vowel: ה is pronounced “Hay.” When you say “Vau” (Hebrew for the “V”), you have added an “o” as in Vow.

We call these vowel sounds “Masoretic vowel points.” All freshman students are familiar with the twelve full vowels and four half vowels of Hebrew: Pathah, Qames, Hiriq, Hiriq Yodh, Seghol, Sere, etc. Half vowels are things like Shewa, Hateph-Pathah, Hateph-Seghol, and Hateph-Qames. What this means is the “tetragrammaton” is unpronounceable unless vowels are added to it. According to every edition of every King James Bible since 1611, the block capital Hebrew letters that spell out the “tetragrammaton” are JHVH. (Note: In the original 1611, the Gothic orthography for J and I was identical. A distinction between the two letters was universally recognized in 1630.) They are not “YHVH” or “YHWH.”

Here is the tetragrammaton (יהוה). The first letter is “Jod” (J), the second letter is “He” (H), the third letter is “Vau” (V), and the fourth letter is “He” (H).

You are to read it *right to left*, not left to right. This is not “I AM that I AM” given to Moses in Exodus 3.

יהוה is transliterated as “Jehovah” with seven “Jehovah’s” marked out in Scripture. They are as follows:

Jehovah Zidkenu (Jeremiah 23:6). Jehovah Shammah (Ezekiel 48:35). Jehovah Sabaoth (1 Samuel 1:3). Jehovah Salom (Judges 6:24). Jehovah Yekaddia (Exodus 31:13). Jehovah Nissi (Exodus 17:15). Jehovah Rapha (Exodus 15:26). Jehovah Jireh (Genesis 22:14).

The “name” is “Jehovah.” The second word in each title is an attribute: “Our banner, shepherd, righteousness, provider, etc.” He is the “LORD of Hosts” and Israel’s “BANNER,” and some day He will “BE THERE” (Shammah) on Mt. Zion, sitting on top of the Mosque of Omar.

Now, what is going on here? “J” has been converted to “Y.”

There is no “J” company in a rifle battalion.

Many cities omitted “J” as a street name when giving the alphabet. What is so ferocious about “J”? Look at the number of “good guys” connected with “J” which, by the way, sports more Bible books’ names than any letter in the alphabet (Judges, Joshua, John, Jude, James, Joel, Jonah, etc.). “**Judas**” is a bad one, and “**Jezebel**” is a bummer. So is “**Jeconiah**”; but Josiah, Joash, Jeremiah Judah Job, John, Jospheh, Joshua, Jephthah, James, Jehoida, Jude, and Jesus are listed as “good folks.”

Mark this down; get it right. The “name given above EVERY name” is NOT “Yahweh,” nor is it “Yahveh.” It is “JESUS” (Philippians 2:10). Do you know what the name of the “TRUE God” is, according to the Apostle John? It is God’s Son (1 John 5:20). His name is *not* “YAHWEH” or “YAHVEH” or “YAHVOH” or “YEHVAH” or “YEHVOH” or even “YESHUA.” IT IS JESUS; the New Testament name “Joshua” (not “Yeshua”) is that name (see Acts 7:45 and Hebrews 4:8).

(In Spanish you would pronounce that “J” as “H” (as in San Jose). Thus “Heysus” for Jesus and “Heirusalem” for Jerusalem. “Y” doesn’t enter anywhere.)

Now consider, for a moment, what this Analytical Thoughtful Assurance Typical blankety-blank is trying to pull off on you. They are telling you that “Jod” ( יָד ) in your Bible should be transliterated as “Y.” This would produce sensational results if they really carried it out, but of course they don’t dare carry it out. If they did you would find Yob, Yonah, Yoshua, Yosiah, Yoash, Yezebel, Yehoiachim, and Yerusalem for Job, Jeremiah, Jonah, Joshua, Josiah, Joash, Jezebel, Jehoiachim, and Jerusalem.

No, they only panicked at “**I AM THAT I AM**”: “**Jehovah**” (Exodus 3:14: 6:3).

Why?

Well, look at the prefixes (“Je” and “**Jah**” – Psallm 68:4). They are abbreviations for “Jehovah.” See how God tore the prefix off Jehoiachim’s name so it was reduced to “**Coniah**” (Jeremiah 22:28).

The question arises, “What vowels should we add, and where should we add them?” Consider!

Jehovah, Jahavah, Jahovah, Jahevah, Jehovoh, Jeheveh, Jaheveh.

Don’t like it? Well, convert the V to W (“vau” to “waw” as in “YahWeh”) and try:

Johovah, Jahawah, Jahowah, Jehowoh, Jehowoh, Jaheweh.

Still don’t like it? Well, try this. Change the “J” to “Y” like “The Study Bible” for “thoughtful students” did and get this:

Yehovah, Yahavah, Yahovah, Yahevah, Yehovoh, Yeheveh, Yaheveh.

Let’s get “scientific,” shall we?

Yehowah, Yahawah, Yahowah, Yehowoh, Yehewoh, Yaheweh.

I've only listed *twenty-six* possibilities; there are at least six more. When an orthodox Rabbi hits יהוה in his Masoretic text he pronounces the word for "LORD." It is given as "Adonai" – not "YHVH" or "JHVH" or any of the twenty-six combinations given above. The vowel pointings in the Masoretic text (Kittel or Ben Asher) are 1. "Shewa" ( : ) and 2. Holem ( ' ) and 3 ( , ). Qames in this fashion יהוה

This is the word the AV translates as "Jehovah." It is not the word for "I AM THAT I AM" אֲשֶׁר אֵלֶיּוּהָ אֵלֶיּוּהָ The expression "I AM" given by God as His "name" (Exodus 3:14) appears like this: אֵלֶיּוּהָ

There is no "V" (or "W") in the word; it is Aleph, He, Jod, He, and the vowel pointing is Sethol, Shewa, and Segol. Further, the second radical ("Heth") is *not* the second radical in Jehovah ("He"). Strangely enough, the vowel points for neither expression are the ones for "Adonai." Calling Jehovah "Adonai" (literally "my Lord") was to avoid saying the sacred name.

But notice the "crux" in all this argument. It is that first letter in the tetra: ך (Jod). Is this a "YOD" or a "JOD" – in English. That is the question. Is the "V" in the tetra a "V" or a "W" – in English?

Are the radicals "YHWH" or "YHVH" or "JHWH" or "JHVH"?

The ending "veh" or "weh" on Yahweh or Yahveh is not the original form (see *The Theological Wordbook of the Old Testament*, Moody Press, Archer, Harris, & Waltke, 1980, pp.210-212). It is a later invention. "JehovAH" is much more likely, when fishing around with twenty-six possibilities; it is the best in the "lot."

To sum it up, the term "Yahweh" (YHVH in the "Study Book") is the wrong designation unless you use this acronym (YHWH) in the "Study." They went by YAHWEH but didn't print YHWH: they printed YHVH. They got half way to the truth; the truth is JHVH, from whence comes JeHoVaH. Note the four radicals in the tetra. All you had to do to get it into English was add Masoretic vowels e, o, and a to the radicals.

Thus you retain a more ancient ending than "eh" on Yahweh and a more Biblical connection with Jesus Christ: Jesus *is* Jehovah.

It is the "Alpha and Omega" ("I AM THAT I AM") who died on the cross of Calvary. Every Christian, therefore, is a "Jehovah's Witness" in the New Testament sense; the Old Testament and Daniel's Seventieth Week are "somethin' else."
